 www.harringtonhospital.org

The Harrington Auxiliary is a dedicated group of individuals who have joined together since 1932 to volunteer their time and services to the Hospital and the community.

We work to create an atmosphere of friendliness, helpfulness and goodwill. We financially support programs and services that benefit the mission of Harrington Hospital as well as the community.

We cordially invite you to join our organization. It is a wonderful opportunity to give back to your Hospital and your community by applying your interest, talents and expertise to the Auxiliary. You can provide the most precious of all gifts, your time.

We also invite you to join us at our quarterly membership luncheons at local restaurants. They include programs which provide us with an afternoon of entertainment, education and socializing. Please consider becoming part of a great hospital support team, The Harrington Hospital Auxiliary.

Auxiliary Committees

Auxiliary Special Projects Each committee and event has different needs for volunteers from assisting with mailings, designing poster boards, volunteering at an event, etc. It is a great way to contribute without the time commitment to a committee.

Appropriations reviews applications submitted by Hospital departments for funding from the Auxiliary funds.

Auxiliary Committees

Bulletin prepares quarterly bulletins to provide members with information on activities within the Auxiliary and Volunteer Services.

Children's Tours provides tours to children and youth groups in the community to help learn about the hospital and healthcare.

Community Outreach provides visibility in the community. Auxiliary members and volunteers help staff health fairs and other marketing events.

Gift Shop Our Gift Shop has unique gift items and beautiful floral arrangements. It is our largest source of revenue. All proceeds are given back to the Hospital in form of grants.

Public Relations interacts with the newspapers, radio, TV, internet, etc. to ensure that all Auxiliary events receive proper credit and publicity.

Membership makes the community aware of the Auxiliary and recruits, welcomes and mentors new members.

Nominating helps to place people in key positions within the Auxiliary.

Program plans quarterly luncheon programs that are educational and entertaining for members, their family, friends and the community.

Sewing and Craft committee helps create dolls, stuffed animals, walker bags and mammography pillows.

Scholarship reviews applications from area high school students and awards annual Auxiliary Scholarships. A total of \$12,000 to \$15,000 awarded each year.

Ways and Means coordinates and oversees all fund raising events.

Yearbook prepares the annual Auxiliary Yearbook, which includes members names and telephone numbers and provides information on upcoming Auxiliary events.

Won't you consider becoming an Auxilian?

1. You will develop new friendships.
2. You will enjoy a variety of social events planned for Auxilians and the general public.
3. You will help make a difference in the lives of your neighbors. The Harrington Auxiliary slogan is "Neighbors helping Neighbors since 1932."

How to Join:

To join the Harrington Auxiliary please call Volunteer Services at 508-765-9771, ext. 6472 or ext. 6473 for more information or mail your Membership Enrollment Form.
